**COMMUNITY CONTROL**

I understand that by entering a plea and if the Court sentences me to Community Control, **the Court shall require intensive supervision and surveillance which may include but is not limited to:**

Specified contact with the probation and parole officer.

Confinement (house arrest) to an agreed-upon residence during hours away from employment and public service activities.

Mandatory public service.

Supervision by the Department of Corrections by means of an electronic monitoring device or system.

If you are on criminal quarantine community control, the Court shall require:

Electronic monitoring 24 hours per day.

Confinement to a designated residence during designated hours.

***The Department of Corrections may, at its discretion, electronically monitor an offender sentenced to community control.***

I have read and understand the above.
