**PRISON RELEASEE REOFFENDER**

I am aware that the State has filed a notice of intent to seek enhancement of my sentence pursuant to the Prison Releasee Reoffender Act, Section 775.082, Florida Statutes. I understand that by entering my plea in this case, I agree that I meet the requirements of that act. If the judge determines that I meet the requirements of that act, I understand that a judge must and will sentence me as follows:

- A. For a felony punishable by life, by a term of imprisonment for life;
- B. For a felony of the first degree, by a term of imprisonment for 30 years;
- C. For a felony of the second degree, by a term of imprisonment of 15 years; and,
- D. For a felony of the third degree, by a term of imprisonment of 5 years.

I further understand that if I am sentenced as a prison releasee reoffender, I shall be required to serve 100% of the Court imposed sentence and that I shall not be eligible for parole, controlled release, or any form of early release. I further understand that my classification as a prison releasee reoffender may disqualify me from participating in certain Department of Corrections programs available to other inmates.

My attorney has explained how this law applies to me and answered all my questions. I understand this and agree that I meet the requirements for being sentenced as a Prison Releasee Reoffender.
